

# Hawk Mountain Ranger School Scholarship

**Major Allen Gerhard, a current member of CAP since 1968, was a Student of Hawk Mt Ranger School for 5 years. He has generously offered scholarship money to be awarded to Cadets in Civil Air Patrol that would like to attend the Hawk Mountain Ranger School for the first time; however, they can not afford all the equipment, fees, or transportation to attend.**

**To apply for the scholarship money send a letter describing your expectations of the school and why you would like to attend, your completed CAPF 31, and the amount of money you are requesting. This needs to be sent to PAWG along with a supporting letter from your Squadron Commander or Moral Leadership Officer by May 20, 2007.**

**After the School you will be asked to send a written critique of your experiences.**

"After reading the article in the  
"Volunteer." I realized just how much  
this program has influenced my life."
